

2023 OUTLOOK

RECESSION,
RECOVERY,
AND REBOUND

JANUARY 25, 2023 | 12 NOON EST

Paul Christopher, CFA, Head of Global Market Strategy, Wells Fargo Investment Institute, will discuss the 2023 market outlook.

What to expect from this webinar

What might a resilient labor market, slowing inflation, and lower interest rates mean for the economy in 2023? Join us on **Wednesday, January 25th at 12 PM EST** for an interactive discussion with *Paul Christopher, CFA* to answer that question and more!

A regular contributor on CNBC and friend of the practice, Paul is sure to lead an excellent discussion!

RSVP required. Please RSVP to Sam Ashby, Operations Manager below
